

Bullying?

"Bullying" (per IC 20-33-8-.2) means overt, **unwanted, repeated** acts or gestures, including verbal or written communications or images transmitted in **any manner** (including digitally or electronically), physical acts committed, aggression, or any other behaviors, that are committed by a student or group of students against another student with the **intent** to harass, ridicule, humiliate, intimidate, or harm the other targeted student and create for the targeted student an objectively **hostile school environment**
